

Red Sox And White Sox Win In American League

Jimmy Walters, Red Sox hurler, pitched his team to its first win of the season over the Giants, 4 to 0. Charles Thorne, Giant hurler, and Walters had a good game going for three innings.

However, four hits and some lax playing on the part of the Giants gave the Red Sox a big three run inning, which was enough for the win.

Les Bussell and Jerry Flink came through with run-scoring hits.

Last week Monday night the White Sox took a one-run victory, handing the Tigers their third defeat in a row, 5 to 4.

Although touched for nine hits, Larry Gunther was tough at the right time, getting the last two batters on strikes with the bases loaded and one run needed to tie.

Tim Roettger, Tiger twirler, gave up but two hits, but faulty support was his undoing. Roettger had a home run in his futile effort.

Tom Feuser came through with the timely hit.

Both Russell Keithley and Steve Wirtz twirled good ball, bearing down when needed.

Commander Issues Call To Join DAV

The Disabled American Veterans today offered the suggestion that there is no more appropriate way for disabled veterans and their families to celebrate Memorial Day than by joining the DAV or its Auxillary.

Commander Charles Portnoy, of the Torrance No. 92, DAV, explained that for disabled veterans and their families Memorial Day should be not only a day of looking backward and remembering, but a time for looking ahead.

"Membership in the DAV," he said, "is one of the most important steps a disabled veteran can take. I can safely say that there isn't a disabled veteran or wife or mother or daughter of a disabled veteran, or widow of a deceased veteran, who wouldn't profit by membership in the DAV or its fine Auxillary."

Commander Portnoy issued an invitation to all disabled veterans in the South Bay area to attend an open meeting of the Chapter on Friday, May 31, 1957 YMCA, 2080 Washington st.

Teacher To Retire After 35 Years

Mrs. May DeBord Dalton will be honored tomorrow at a tea given at the Perry school to commemorate her retirement after 35 years of teaching at the school.

Former associates at the school, including W. Earl Brown, now superintendent of the Redondo City School district, and Dr. Hugh Tiner, immediate past president of Pepperdine college, plus officials of the Torrance Unified School district will attend the affair.

Mrs. Dalton began her career when Perry was only a two-room building, which was razed last year. Only the cast-iron bell remains. She originally taught the first, second and third graders in the mornings and fourth graders in the afternoons. Recently she has been teaching the first grade.

Mrs. Dalton retires next month.
